Addendum

Name of the Project: Procurement of Smaller mechanical sweeping machines 86 Numbers Battery Operated (EV) of capacity less than 2 cum for sweeping of local streets in dense populated areas such as Markets, Commercial Street in order to reduce the dust" in BBMP limits

Sl No	Clause NO/ Page No	AS PER TENDER	Bidders Query	Remarks
1		Approximate Amount put to tender Rs.580.50 Lakhs	Please clarify on how the said amount is arrived. Please provide the makes considered during the estimate.	**Considered Rs.6,75,000 per machine**
2	SECTION I: INSTRUCTIONS TO BIDDERS Clause 4. Eligible Bidders: 4.1 Page No.8	A Bidder must be a manufacturer or Consortium Company with manufacturer / authorized dealer /authorized supplier as lead member or authorized dealer of the company manufacturing vehicle and equipment's.	Please Confirm whether Manufacturer should be a Lead Member of the consortium or can be Member	**Either the OEM or the other bidder can be the Lead Member.**
3	SECTION I: INSTRUCTIONS TO BIDDERS Clause 4. Eligible Bidders: 4.2.2 (f) Page No.10	Members of the Consortium shall enter into a binding Memorandum of Understanding (the "Memorandum of Understanding" or "MoU"), for the purpose of submitting Bid and should submit the same along with the Bid. MoU should be specific to the Project and should fulfill the requirements set out below, failing which the Bid shall be considered non-responsive.	Please provide the Memorandum of Understanding (MoU) format, so that all required bidders can use a common format.	**Tender Conditions Prevails**
4	SECTION I: INSTRUCTIONS TO BIDDERS Clause 4. Eligible Bidders: 4.2.2 (f) Page No.10	Members of the Consortium shall enter into a binding Memorandum of Understanding (the "Memorandum of Understanding" or "MoU"), for the purpose of submitting Bid and should submit the same along with the Bid. MoU should be specific to the Project and should fulfill the requirements set out below, failing which the Bid shall be considered non-responsive.	Request your good self to please consider accepting Tie-up letter from the manufacturer who fulfil the Technical parameters and meet the required Technical Experience Criteria in place of MoU. The Entire Liability will be on the Bidder who submit the tender to BBMP.	**Tender Conditions Prevails**
5	SECTION III - EVALUATION AND QUALIFICATION CRITERIA B. QUALIFICATION CRITERIA Clause 1. Financial Criteria: 1.2 Page No:23	In case of a Consortium, the combined Technical Capacity and Financial Capacity of the Lead Member and the other member of the Consortium will be considered.	Please clarify the technical Capacity required to meet the Experience Criteria can be fulfilled by any Member of the consortium i.e. Manufacturer who fulfil the Experience criteria can be a member of consortium.	**Tender Conditions Prevails**
6		Lead Member of Consortium	We presume that a company who fulfils the Financial Capacity can me a lead member of the consortium.	**Both the lead member and the consortium member cummulatively need to fulfil the financial capacity as per tender clause.**
7	SECTION III - EVALUATION AND QUALIFICATION CRITERIA Clause 13.2 Page No:25	The Supplier shall carry sufficient inventories to assure ex-stock supply of consumable spares for the Goods, such as gaskets, plugs, washers, belts etc. Other spare parts and components shall be supplied as promptly as possible but in any case within 3 months of placement of order. 1. Line of credit Certificate issued by any scheduled bank for Rs.214.20 lakhs shall be furnished for this specific project.	Please confirm Lead Member can submit **Line of credit Certificate** on behalf of the Consortium **for full amount of Rs.214.20 Lakhs for this specific project.**	**Any member of Consortium can submit LOC.**
8	SECTION III - EVALUATION AND QUALIFICATION CRITERIA Clause 13.2 Page No:25	The Supplier shall carry sufficient inventories to assure ex-stock supply of consumable spares for the Goods, such as gaskets, plugs, washers, belts etc. Other spare parts and components shall be supplied as promptly as possible but in any case within 3 months of placement of order. 5. The Manufacturer should certify that they will supply spares and render services for the offered machines, for a minimum period of 05 years from the date of supply.	Please elaborate; we presume that supply of spares and render services will be at an additional cost as 05 years a long period.	**The Manufacturer should certify that they will supply spares and render services for the offered machines, for a minimum period of 03 years from the date of supply.**

9	SECTION III - EVALUATION AND QUALIFICATION CRITERIA Clause 13.2 Page No:25	The Supplier shall carry sufficient inventories to assure ex-stock supply of consumable spares for the Goods, such as gaskets, plugs, washers, belts etc. Other spare parts and components shall be supplied as promptly as possible but in any case within 3 months of placement of order. 8. If the machines are not working continuously for more than 7 consecutive days in a month an amount of rupees two times the rates quoted for those number of nonfunctioning days will be deducted as penalty for non-performance.	Please clarify, we presume O&M is not our scope and this is not applicable to us.	**8. -Deleted-**
10	SECTION III - EVALUATION AND QUALIFICATION CRITERIA Clause 13.2 Page No:26	The Supplier shall carry sufficient inventories to assure ex-stock supply of consumable spares for the Goods, such as gaskets, plugs, washers, belts etc. Other spare parts and components shall be supplied as promptly as possible but in any case within 3 months of placement of order. 9. All the participating bidders shall be allowed to show proof of concept of their sweeping machine (one number) to be made available for 15 days demonstration and to run minimum 20 Kms lane on each day and to show the satisfactory results as per the specifications with his own cost and to show the results as per the specifications and demo shall be made as per direction of the Engineer in charge. A committee will be formed to evaluate and inspect this proof of concept demonstration and the recommendations of said committee will be considered for Technical evaluation criteria for finalization of Technical bids.	Please confirm	**Tender Conditions Prevails**
11	SECTION III - EVALUATION AND QUALIFICATION CRITERIA Note Page No:26	2. There is a separable agreement for capital cost, operation and maintenance cost. Payment for O&M can be made to consortium partners based on the request by the lead member. It is the decision of the BBMP to accept the request or reject.	Please confirm on this, we presume that this is not applicable to this contract.	**-Deleted-**
12	SECTION VI - GENERAL CONDITIONS OF CONTRACT Clause 13. Terms of Payment Page No:36	The Successful bidder's request for payment shall be made to BBMP in writing, accompanied by invoices describing, as appropriate, the Goods delivered and Related Services performed, and by the documents submitted pursuant upon fulfillment of all the obligations stipulated in the Contract. (i) On Delivery: Twenty percent of the Supply of machines price shall be paid on receipt of Goods and establishing that the supplied goods broadly conform to the number and specifications of the ordered goods, further upon submission of the documents specified in SCQ Clause 3 against Bank Guarantee. The remaining will be paid at 7 equal installments at the end of each financial years as per NPV value.	Please confirm on this, we presume that this is not applicable to this contract.	**The Successful bidder's request for payment shall be made to BBMP in writing, accompanied by invoices describing, as appropriate, the Goods delivered and Related Services performed, and by the documents submitted pursuant upon fulfillment of all the obligations stipulated in the Contract. (i) On Delivery: Seventy percent of the Supply of machines price shall be paid on receipt of Goods and establishing that the supplied goods broadly conform to the number and specifications of the ordered goods, further upon submission of the documents specified in SCQ Clause 3 against Bank Guarantee. The remaining will be paid at 3 equal installments at the end of each financial years as per NPV value.**

Sl No	Clause NO/ Page No	AS PER TENDER	Bidders Query	Remarks
13	SECTION VI - GENERAL CONDITIONS OF CONTRACT Clause: 15 Performance Security Page No.37	Within Twenty (20) days of the receipt of notification of award from BBMP, the successful Bidder shall furnish the Performance Security equal to 5% contract value for procurement of machine cost in the form of Bank guarantee. The performance security on cost of machine to be valid for a period of three year. In the event of any correction of defects or replacement of defective material during the Warranty period, the Warranty for the corrected/replaced material shall be extended to a further period of 12 months and the Performance Bank Guarantee for proportionate value shall be extended 60 days over and above the initial Warranty period. The proceeds of the performance security shall be payable to the Purchaser as compensation for any loss resulting from the Successful bidder's failure to complete its obligations under the Contract. The Performance Security shall be denominated in Indian Rupees and shall be in one of the following forms: a) A Bank guarantee or irrevocable Letter of Credit, issued by a Nationalized/Scheduled bank in the form provided in the tender documents or another form acceptable to the Purchaser or b) A cashier's cheque or Banker's certified cheque, or crossed demand draft or pay order drawn in favor of the Purchaser.; or The Performance Security will be discharged by the Purchaser and returned to the Successful bidder not later than 60 days following the date of completion of the Successful bidder's performance obligations, including any Warranty obligations, under the Contract.	Please confirm that Performance Securitycan be submitted in the form of A Bank guarantee or irrevocable Letter of Credit, issued by a Nationalized/Scheduled bank in the form provided in the tender documents or another form acceptable to the Purchaser.	**Tender Conditions Prevails**
14	SECTION V - SCHEDULE OF WORK C. TECHNICAL SPECIFICATIONS Technical Specification of the Sweeping Machine Sl.No:20 Page No:31	Number of Batteries required for operation Min 4	The specification metion a minimum requirmrnt of 4 batteries. However, with Lithium-ion battery technology, a single battery can often fulfill the power and capacity needs efficiently. We request clarification on whether the use of a single Lithium-Ion battery can be allowed as it aligns with operational requirments and enhance cost-efficiency.	**Agreed**
15	SECTION III - EVALUATION AND QUALIFICATION CRITERIA Clause B 1. Financial Criteria: Page No:23	The Bidder's including OEM and consortium members average turnover for any three (3) years out of last 5 Financial years shall be Rs.14.28 crores (If the bidder is Micro and Small Enterprises The Average Turnover should be 50% of the actual turnover during the last two preceding financial years)	Based on the tender document, the financial criteria require an average turnover of Rs.14.28 crores for any three of the last five financial years. Given the project value of Rs.580.50 lakhs, we feel this turnover threshold is quite high, potentially restricting newer companies specializing in this emerging EV technology from participating. We request you to consider lowering the turnover requirment, which would encourage briader participation from smaller and new enterprises specializing in battery operated vehicles.	**Please Refer addendum (RFP).**

Sl No	Clause NO/ Page No	AS PER TENDER	Bidders Query	Remarks
16	SECTION III - EVALUATION AND QUALIFICATION CRITERIA Clause B 2. Experience Criteria Page No:24	The Bidder or Consortium members should have the following minimum qualification criteria: - • The Tenderer should be a manufacturer who must have manufactured, tested and supplied the equipment's similar to the type specified in the schedule of Requirements upto at least 43 Nos (Battery Operated (EV) Mechanical Street Sweeping Machines of capacity less 2 cum capacity & above capacity) in any one the last 3 financial years. To any Government departments / Urban Local bodies /National or International Airports (Purely for Runways and Roadways maintenance) for use to Govt or local bodies and these should be working satisfactorily. (Usually not less than 50% of the requirement. However, it will be 40% with respect to Micro and small Enterprises in 2 years). Details should be furnished along with performance letter & Purchase Order copy issued by an officer of grade not less than Executive Engineer of any Govt departments. The bidder is to certify that he / she will be able to demonstrate such min quantity of Sweeping machine. BBMP will inspect these machines to verify the claim of the bidders if necessities arise.	It is your understanding that the experience criterion mandates a minimum of 50% the specified machines (43 units) or 40% (35 units) for MSEs. Given the relatively recent market entry of battery-operated mechanical sweepers and their limited deployment on Indian roads, it is challenging for many manufacturers to meet this high past experience requirments. Reducing the technical experience requirment would enable new manufacturers to enter the market, thereby fostering competition, innovation, and fair access to government projects.	**Tender Conditions Prevails**
